

Educational Residential Breaks

Rewarding

Calvert Trust Exmoor provides year round challenging activity breaks for people with physical, learning, behavioural and sensory disabilities, together with their friends, classmates, teachers and carers.

Located in an area of outstanding natural beauty on the edge of Exmoor National Park and a short distance from the North Devon Coast our beautiful Victorian model farm conversion is at the heart of our award winning accessible centre.

“We have had an amazing week, everything I hoped for and a whole lot more; I’ve watched our students grow; their confidence in themselves, their social skills and their ability to work as part of a team.”

Set around a secure and pretty courtyard, our comfortable accommodation comprised en-suite single, twin and triple bedded rooms and apartments. The majority of our guests choose to enjoy our delicious home cooked food, which is freshly prepared on site daily. Self catering is also an option, or 'semi-self catered' for our transitional courses.

In the evening you can relax in our hydrotherapy pool, Jacuzzi or sensory room, enjoy beautiful views from the Acland room veranda, or participate in fantastic evening entertainments, all at no extra cost.
